MEMORANDUM FOR: Director of Central Intelligence
FROM: Acting Director, Office of Legislative Liaison
SUBJECT: Weekly Report

1. We are trying a new format for our input to the weekly report this time, in order to save about four hours of clerical time in its preparation. I will comment on significant current and future items of interest other than hearings and briefings in this memo, and attach to it a listing of Congressional hearings and briefings taken from our OLL calendar.

2. This week has been very quiet because of the Congressional recess. We expect that next week the House will appoint its conferees on the 1985 Supplemental Appropriation Bill, and both Houses will appoint conferees to deal with the Department of Defense Authorization Bill for FY-86. All other matters are contained in the attachment.

Acting Director, Office of Legislative Liaison
